## WHAT CAN I EXPECT?

This annual event, exclusively for Members of LCCI, is one of the highlights in the property and construction calendar. The event is designed to help you network and make the right connections, as well as keep you up-to-date with industry trends and developments.

Up to 120 senior professionals from within the industry will attend this event including agents, architects, building services, chartered surveyors, consultants, construction, developers, engineers, investors and planners plus other companies that have an interest in the sector. Drinks and delicious canapés will be served during the reception.

This year's venue is The Ned, an historic Grade I-listed building, designed by Sir Edwin 'Ned' Lutyens almost a century ago. It has been carefully restored by the design teams from Soho House & Co and Sydell Group and retains many of the buildings original features including vaulted ceilings, verdite columns and old wood-panelled tellers' offices. The event will be held in the stunning Saloon room, which is dominated by an 18th-century chandelier from London's Devonshire House, The Saloon glories in ornate chalk frieze and a restored parquet floor.

**Our property and construction events regularly sell-out, so please book early to avoid disappointment.**

## LCCI PROPERTY AND CONSTRUCTION GROUP – THE VOICE OF LONDON BUSINESS

*“The members of LCCI’s Property and Construction Committee possess a wealth of knowledge and experience in this vital sector to the London economy. The committee strives to ensure the conditions are right for the sector’s continued growth and development throughout the capital, whilst addressing pertinent issues that impact on the industry.”*

Mark Collins, Immediate Past Chairman, LCCI Property and Construction Group  
and Executive Director – Chairman of Residential London, CBRE.

LCCI actively lobby Westminster, City Hall and local authorities across the capital to positively influence policy, legislation and regulation in the interests of our membership. Due to the size of the Group, we have a strong voice in the property and construction sectors. No other organisation represents the interests of the sector from the developer to the decorator and from the agent to the occupier with such a focus on the obstacles that prevents firms from doing business in London.

Our Property and Construction Group is chaired by Simon Neate, Director and Executive Chair, Indigo Planning. The Group’s priorities include:

- Meeting London’s housing needs with more affordable homes to rent as well as to own
- Making the most of London’s land by conducting an honest review of the Green Belt
- Supporting small developers into the market place by unlocking smaller sites
- Reinforcing the construction industry by ensuring firms have access to the skills they need
